Care Guide

Rose Gold / Terracotta Gold / Olive Gold:

These items are **microwave safe and dishwasher resistant**. We only use superior quality gold in our products, acquired through vendors with the LBMA Good Delivery Standard, ensuring it is sourced using responsible methods. Its superior quality also allows it to resist far more dishwasher machine cycles. Granted this cool feature we still encourage hand washing.

Stone / Rose / Terracotta / Olive:

These items are completely **microwave and dishwasher safe**. Our high-temperature, single-firing production ensures the durability of our ceramics.
