

W Collection

W Collection

The W collection results from the combination of primitive ceramic techniques with new environmental responsibility.

We collect, treat and transform all clay and glaze waste before the firing stage.

After an internal recycling process, one for clay and another for glaze, new pieces are produced based on recycled raw materials.

W Collection is the **W**aste **W**inning **W**ay.

W Collection

It fills us with pride to be able to launch a collection that contributes to the conservation of the planet's natural resources, due to our focus on reusing waste materials.

The W collection is also one that combines the knowledge of different generations.

Care Guide

Stone / Limestone / Luna / Kambaba / Ivory / Rose / Terracotta / Olive / Deep Blue / Aura :

All of these items are completely **microwave and dishwasher safe**. Our high-temperature, single-firing production ensures the durability of our ceramics.

Stone Gold / Ivory Gold / Olive Gold / Deep Blue Gold / Rose Gold / Aura Gold:

These items are **microwave safe and dishwasher resistant**. We only use superior quality gold in our products, acquired through vendors with the LBMA Good Delivery Standard, ensuring it is sourced using responsible methods. Its superior quality also allows it to resist far more dishwasher machine cycles. Despite this cool feature, we still encourage hand washing.
