

NEW COLLECTION

WABI-SABI

Wabi-sabi is the Japanese philosophy that teaches us to see beauty in all that is imperfect, fleeting, and authentic. Inspired by this vision, Nosse created a collection of ceramics that celebrates the unfinished: shapes guided by the instinct of the hands, hues shaped by fire, and surfaces that reveal the passage of time.

Each piece is unique, inviting us to slow down, embrace simplicity as sophistication, and welcome imperfection as an essential part of harmony.
